

FREE AND OPEN TO THE PUBLIC

# WALKING THE FIELDS VEGETABLE CROPS TOUR

WEDNESDAY, AUG. 8, 2007 • 6 – 8 P.M.

North Central Agricultural Research Station  
1165 County Road 43  
Fremont, Ohio

## Program

Tour begins at OARDC's North Central Agricultural Research Station followed by self-driving tour of area growers' fields. OARDC scientists and OSU Extension specialists will be on hand to answer questions and to comment on what might be found during the tour and on other issues of interest.

## Education Credits

Pesticide Re-certification credits and CEUs for Certified Crop Advisers are available.

## Topics

- *Irrigation: Determining What Type of System is Right for Your Operation*, Mark Ackerman, George Ackerman Company
- Tour of Grower Fields Highlighting Various Irrigation Systems
- *Irrigation and Food Safety Concerns*, Doug Doohan, Department of Horticulture and Crop Science, OARDC and OSU Extension
- *Disease Problems Associated With Irrigation*, Sally Miller, Department of Plant Pathology, OARDC and OSU Extension
- Viewing of New Automated Transplanting Technology, Daryl Knipp, grower, Lindsey, Ohio
